Hertzog News Update

PEJ News - News and Opinion - Remember Stuart Hertzog and his accusations about how unfair he was treated by the Green Party of which he was a member? Well it seems that Stuart was so unhappy with Elizabeth May running in his riding that he filed a complaint with Elections Canada. As it turns out Elections Canada informed him that it found insufficient grounds to even warrant pursuing an investigation. So now the road is clear for Elizabeth to sink Gary Lund in the next election. Perhaps Stuart could get a job reforming the Conservative Party. He certainly has laid the groundwork to get the job.
