

Response to Situation in Syria

The Women's March on the Pentagon condemns, in the strongest terms, any U.S. "retaliation" against Syria.

The Women's March on the Pentagon also strongly condemns the recent Israeli bombing of Syria as well as the U.S. involvement in the Syrian conflict.

WE MUST STOP THIS FROM THE GROUND UP from daily ground level and oppressed people the world over.

Thank you for your continued support in our grassroots movement to oppose the bipartisan neoconservative agenda.

**In solidarity,
Women's March on the Pentagon**
