16 National Religious Organizations Oppose New Nuclear Bomb Plant

National Religious Partnership on the Nuclear Weapons Danger - News Release - Washington DC - March 25, 2008 - Sixteen national religious organizations filed formal public comments today opposing the administration's plans to build a new nuclear bomb plant that would be wasteful, unneeded, and dangerous, the Friends Committee on National Legislation (Quakers) announced today.

"As religious leaders in the United States, we firmly oppose the administration
