There are a number of things that are not making sense about Donald Trump. It seems that:

1- He can lie about everything without being called to task.

2. He can conduct criminal acts and not get charged with a crime.

For example: Why is he not arrested for doing business with Cuba during a US embargo? Any other citizen would be arrested. If so, as a convicted criminal would he still be eligible to be President?

3 - He seems to be trying to brand the Trump name and for him it doesn't seem to matter what people say as long as they say Trump. Perhaps "branding" is his real weakness? Perhaps then we should rebrand him with "Dump the Trump" or "The Trump is junk".
