Victoria to Venezuela

Victoria in Solidarity with Venezuela - Ivan Maldonado representing the Victoria in Solidarity with Venezuela and myself representing the Goods for Cuba Campaign are preparing for an extensive trip into Venezuela for the month May.

Victoria to Venezuela

Victoria in Solidarity with Venezuela

Hi Friends.

We will be meeting with local, provincial and national representatives, labour union members and leaders, community activists, and people in the streets.

We will also be traveling throughout the country and visiting medical clinics, farms, schools, factories and the like.

We are holding a fundraising barbeque to explain the objective of our trip and to bring a message of solidarity from our Victoria community to the people of Venezuela.

We hope you can join us in this event.

For equality & justice,
