**\*\* About the Film \*\***

**LOOSE CHANGE 2nd Edition** [May 30, 2006!]

(1-hour & 22-minutes)

.....

"Loose Change 2nd Edition" is the most provocative 9-11 documentary on the market today. This film shows direct connection between the attacks of September 11, 2001 and the United States government. Evidence is derived from news

footage, scientific fact, and most important, Americans who suffered through that tragic day.

*IT IS EVERYONE'S DUTY TO VIEW THIS FILM!*

This outstanding new documentary delves beneath the surface of the official version of events on 9/11 to conclusively show that elements within the U.S. Government not only had prior knowledge of the attacks, but that they are directly responsible for carrying out the murder of over 3,000 American Citizens.

*Loose Change 2nd Edition is comprised of the following sections:*

Timeline - Pentagon - WTC - Flight 93 - Oddities

.....

### TESTIMONIALS:

"...the highest production value of any 9/11 DVD to come out, and it is one of the most information packed 9/11 DVD's I've seen covering around 300 different points in just 2 hours."  
-Republic Broadcasting Network

"I recently watched the film LOOSE CHANGE and couldn't believe what I learned. I thought that I had read and heard everything about 9/11, but I was wrong. This film makes quite a case for an alternate view of what happened on September 11th, 2001... Watch the film and make up your own mind." - Jason Pollock, Writer and Michael Moore's

former assistant

"...HANDS DOWN THE VERY BEST VIDEO ANALYSIS OF THE EVENTS OF 9/11."
