American Mob / Russian Mob / Trump Chump plans for Canada.

1. Bully Canada using Tariffs
2. Demolish NAFTA
3. Destroy NATO
4. Infiltrate and control political parties in Canada with cyber attacks and fake news
5. Allow Russia to annex northern parts of Canada
6. Divide Canada between US and Russia
7. Continue as a warlord controlled oligarchy

These things can happen in sequence or all at the same time. Stop them now! Do what you can from where you are
